

51st Annual

PITTSBURGH CHEMICAL DAY

THE FUTURE STARTS HERE

Attendees List

October 1, 2019

www.pittchemday.com

The Pittsburgh Region + Chemicals

Our relationship is elemental.

2+ centuries industry presence

\$150M in gross regional product

150+ chemical firms, region-wide

24,000 direct, indirect and induced chemical manufacturing jobs

\$95,000 average earnings per job

15 major chemical R&D facilities

3rd largest regional export commodity

\$1.3B export revenue

The Pittsburgh Regional Alliance team has the right chemistry and regional market insights to match your business interests with southwestern Pennsylvania's many chemicals-related opportunities.

Tap into our professional, one-stop economic development services including site selection assistance, market research & analysis, connections to industry leaders and more.
